RESUME

Metal singer since 2006. Currently his active projects are Taste My Sweet Revenge and Zerobyte. He did some European tours as a vocalist with his band Taste My Sweet Revenge. From the very young age he was immersed in the world of videogames and other fantasy games like Warhammer (Age of Sigmar and 40k), D&D... In his band Taste My Sweet Revenge all the lyrics and music are inspired in videogames and comics, moreover he's an amateur videogame developer that won some local prizes. And if that was not enough he's a collector of retro systems like Mega Drive/Genesis, Master System and retro PCs.
